Leaders of the Bombers - SCITS' Principals

Principal "Blue Bomber" Mrs. Buchanan

SCITS, when and why? *In September 1999, I had heard many times how "great" SCITS was and I had always wanted to come here. When the opportunity came to work here, I jumped at the chance.*

The most rewarding aspect of your job? *I love to visit the classes on a daily basis. This has become my most rewarding time because I have the chance to talk to the individual students about their educational goals.*

The most disappointing aspect of your job? *I must admit I have one disappointment: the amount of garbage that is left in and around the school.*

Impact of the finished construction on academic success? *With the completion of the construction will come climate control. The physical comfort that will follow should enhance student success.*

Words of wisdom for this year's graduates? *"Sic Itur Ad Astra"... I know I have said it before but I really do believe each of us should "reach for the stars"*

Mrs. Buchanan, I know you've said it many times but why is SCITS the best school in the Universe? *I believe that SCITS is the best school because everyone pulls together. We're all here for the same reason, success for each student.*

Vice-Principal "Blue Bomber" Ms. Smith-McKelvie

SCITS, when and why? *I was a teacher here in 1989, so I wanted to come back.*

The most rewarding aspect of your job? *Working with really great people.*

The most disappointing aspect of your job? *I'm no longer a class room teacher.*

Your biggest pet peeve? *The parking lot is too small.*

What do you do to relax? *Scrap booking and computers.*

Something unique from this year? *The head shaving for cancer.*

Impact of the finished construction on academic success? *Students will definitely learn better in an air-conditioned environment.*

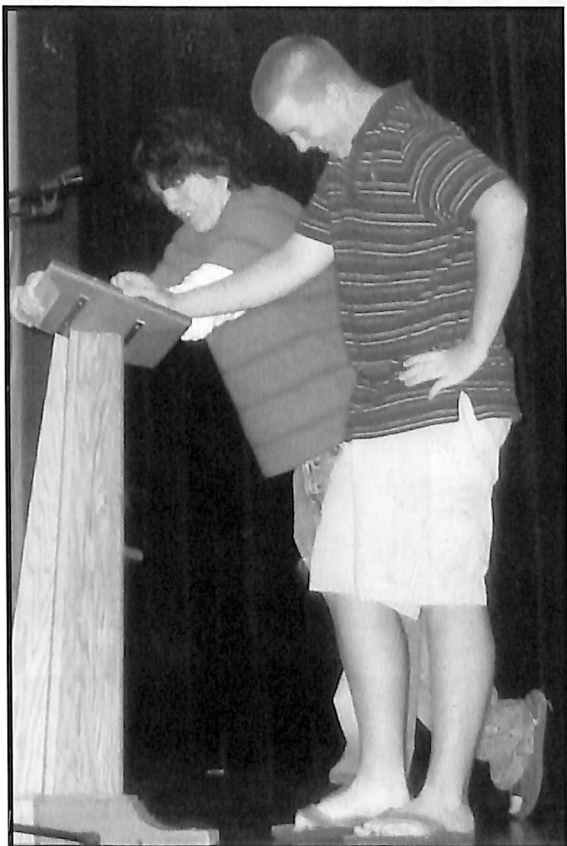

Words of wisdom for this year's graduates? *Live long and prosper.*

Bomber wisdom for the rest of us? *The yearbook is a wonderful way to remember a time you think you'll never forget. Cherish your yearbook!*

**Bombers
Forever!**

Minor Niners Meet SCITS!

Chelsea Sayers, two other pink team members, Heather Griffith, Pauline VanBeers, Brent Anderson & Jason Hodgins pull during a competition of tug-of-war with their full bomber spirit.

Welcome week is all about the new grade 9's attending SCITS. It takes place in the beginning of the school year in the second week of school. Grade 9 students are encouraged to participate in these fun games. The amusing contests take place during lunch hour. The grade 10, 11's and 12's all fill the gym and join in all the fun with the new Bombers.

The teams were sorted by homeroom and competed against each other all week.

After popping balloons with their butts, bobbing for sponges and singing the grade 9 songs the Blue Team lead by Ms. Brander won by getting the most points which lead to a Pizza party for the class. The second place team was Mrs. Amlin's

Pink Team, they won donuts for their class. Finally, Mrs. Coulthard's Green Team won third place receiving a big high five from all the players.

A surprising number of the grade 9 students said in the survey that their most embarrassing moment was Welcome Week.

In Memory Of...

Mrs. Pepper, better known as Pam, who worked in the cafeteria, passed away this past year. She was a great member of the school community and worked at SCITS for a number of years. Pam was a true Blue Bomber. She was a loving wife, mother, and grandmother. Please remember her by knowing how kind, generous, patient, and caring she was to each and every one of us who saw her every day. Pam had a great sense of humour and she has left a lasting impression on everyone who knew her. She truly loved SCITS and all the staff and students here. We will miss Pam and we extend our thoughts and prayers to Pam's family.

RUNNIN' THE PIESKIN

Although our Junior Football team did not win any contests this year, they were able to field a gutsy and determined team. The coaching staff was very pleased with the "SCITS GRIT-WE DON'T QUIT" attitude of this team at each and every game. A highlight of the season was the game against Northern on a cold, windy Saturday on the muddy field at St. Pats. Jarrett Scherrer rumbled into the end zone for a touchdown and completed the play with a fantastic stretching 2 point conversion. This touchdown had been set-up by a strong running game from David Wasson and Corey Johnson. Other notable plays in this game were a 30 yard pass from Quarterback Don Bowling to Chris Nisbet, several hard hits from Mike McKinnon, Eric Stitt and Sean MacDonald and league leading tackles by Curtis Tuckey. The game was topped off with solid line work from Ryan Metzler, Jeremy Mellow and Joe Page. The coaching staff would like to thank the entire team for the efforts they gave over the season and all our fans. The staff would like to encourage all players to continue with SCITS

football next fall. Many thanks to coaches Mr. Bedard, Mr. Vale, Mr. S. Lynch and Mr. B. Campbell for their dedication with these young athletes.

Our Senior Football team finished their league play with a 1 and 4 record. The Senior Bombers gave a strong effort each and every week on the field right up until their final contest at Homecoming. The offensive line continued to improve tremendously and deserves credit. That unit made up of Cory Kelly, A.J. Shepard, Andy Greenbird, Scott Hanlon, Bryan Beaton and Matt McEachran helped the running game stay solid all game long. Carrying the ball were Blane Hartley and the solid Spencer Pearson, who quietly had a fantastic season for the Bombers. On defense, Cory Burke continued to show remarkable improvement in the secondary. Greg Jillson had an outstanding game as he returned a kickoff for a touchdown and he was able to make a speedy run down the field again at the end of the game with a connection from Corey Dixon and Joe Leone. Devon Johnson was able to do a shovel pass 2-pointer to Greg on the next conversion. Coach B. Lynch says that this team had a very difficult emotional season with the absence of a dear friend and team leader, Graham Holmes, but they showed a lot of class and continued to work hard on his behalf. He would also like to mention those players who gave 5 years of blood and sweat for the Blue and White. They were Andy Ysebaert and Bryan Beaton. Also deserving our thanks were the awesome hydration coordinators: Amanda Fillion, Jessica Smith, Stacey Thompson and Alaina Eveson. Congratulations to the following players named to the All Star Team: Greg Jillson, Andy Ysebaert, Spencer Pearson, A.J. Shepard and Blane Hartley. Many thanks to Coaches Mr. B. Lynch and Constable P Kindrachuk, with Mr. S. Lynch and Mr. B. Campbell doing double duty with the Junior team.

Lynch, Adam Wright, Craig Dease, Andy Ysebaert, Andy Greenbird, Shawn Greenwood, Spencer Dalghety, Jon Jones, Andrew Martin, Matt Lepine, Corey Kelly, Cory Dixon, Matt McHeran, Zack Hand, Joe Leone, Coach S. Wrestling

The SCITS Wrestling Team attended tournaments in Petrolia, Windsor, London and Hagersville. SCITS Wrestling, under the watchful eye of Mr. B. Campbell, Mr. B. Cornell and Ms. Y. Hayashi, and the multitude of volunteers from the SCITS community and wrestling club, hosted the 28th Annual SCITS Invitational in January. Despite a very snowy start and the absence of some teams, Mr. J. Burke, Mr. P. Burke and Mr. J. Blane helped coach our SCITS wrestlers in competitions with over 375 competitors attending from around the province and country. In the end, our SCITS Team placed 2nd overall with a 1st in Open Boys, a 3rd in Cadet Boys, a 4th in Cadet Girls and a 5th in Open Girls. The Gold medals scored by Jon Jones and Ryan VanDyl were the first SCITS Gold's recorded at the SCITS tournament by SCITS wrestlers in almost 10 years. Mr. Campbell would like to thank all the volunteers for their fantastic help and assistance especially parents, spouses and Mr. B. McNamara. The team finished second overall and second in both the boys and girls divisions at the LSSAA Meet held in February, here at the Bomber gym. With other schools showing lots of improvement, it took our Bombers a lot of hard work and talent to stay ahead of them but close behind LCCVI. Adam Wright, Corey Kelly, Nathan Dalgety, Cory Burke, Adam Davie, Ryan VanDyl, Justin Brown, Jon Jones, Nick Gardner and Aaron Allen represented the boys team and Lauren Edwards, Sarah Thwaites, Rebecka Leopold, Ashley VanVliet, Terri Willert, Rachel Giffels, Nikki Hurst and Shannon Deline represented the girls at SWOSSAA. Nick, Aaron, Sarah, Lauren, Rebecka and Ashley all qualified for OFSAA.

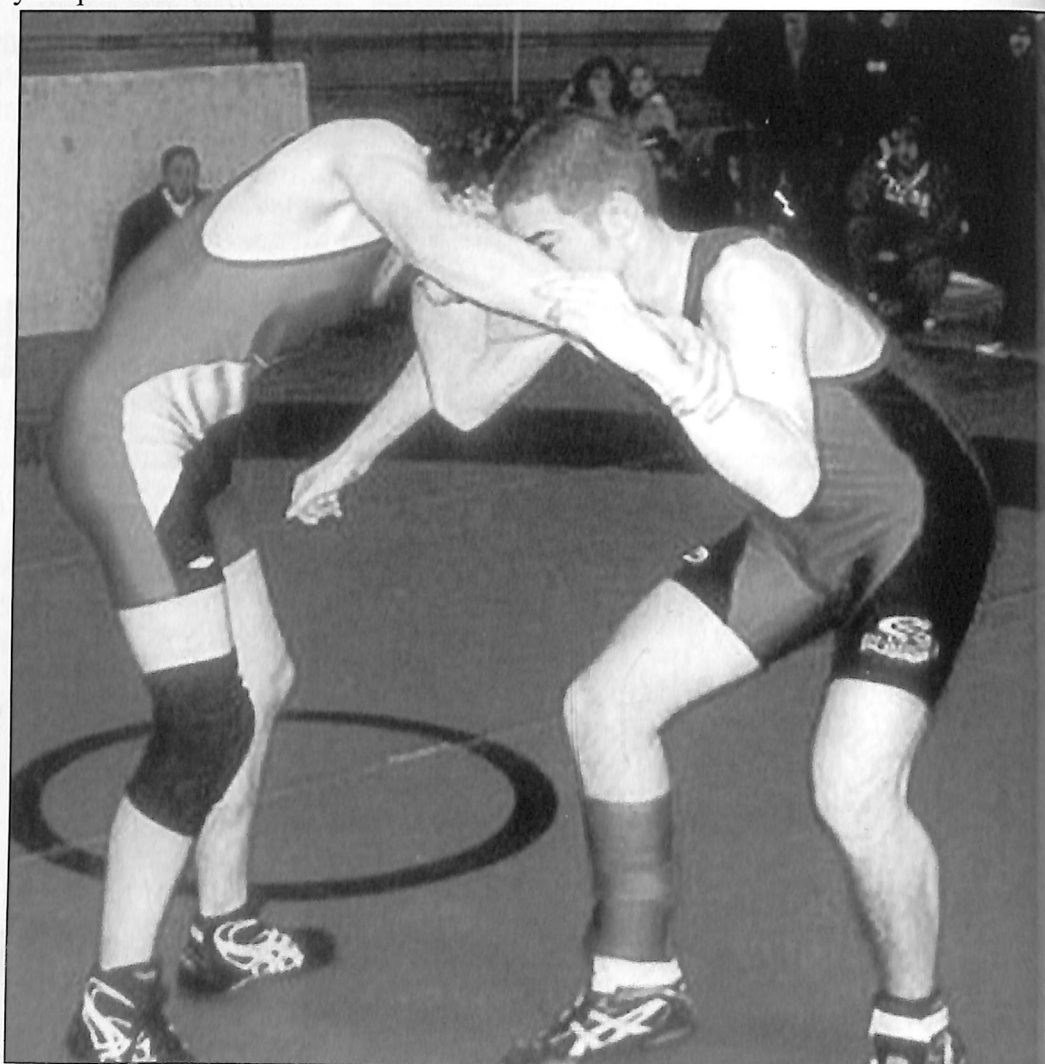

Once again the world famous SCITS wrestling team took to the mats in search of a LSSAA title for the first time in 5 years. With an increased squad of boys and girls and almost a complete returning senior team, the mat junkies were looking for Lancer blood.

The two rookie females Lauren and Sarah placed 13th and 9th respectively with our veteran Rebecka finishing with a 1-2 record and a decisive win on Day Two. As a team, SCITS placed 56th out of 189 schools with the SWOSSAA district as a whole coming in first! Fine effort by all the wrestlers this season. You made your coaches very proud! Thank-you to all the coaches for their time and effort with this excellent team.

Senior

The Senior Boys team, try as they may, could not come up with points in the win column this season. They played and practiced with a lot of heart and never gave up on the field. Their dedication to playing with SCITS GRIT never waived. The old Juniors/new Seniors will help this squad out next year. Thanks for all your efforts.

BOYS SOCCER

Junior

The Junior Boys Team finished with a record of 2 wins, 2 losses and one tie for the season that took them into the LSSAA semi-finals where they met an undefeated LCCVI Lancer squad. Down one goal going into the second half, the Bombers consistently applied pressure by controlling the midfield; yet, were unable to find the back of the net, and lost 0-1. The boys are to be congratulated for their tremendous efforts this season.

GIRLS HOCKEY

The Girls Hockey team had a very strong season this year. The girls won the Lambton Girls' Hockey Classic Tournament at the SSEC by beating the LCCVI Lancers in a very tough and emotional Championship game. Any team these Lady Bombers faced were soon crushed by the amazing teamwork and skills these girls displayed. The girls finished in 3rd place in league play; however, the team still travelled to OFSAA in the "AA" division and fought hard despite their 1-2 record in pool play. Thank you to Mrs. Ramos, Mr. Uhlman and Mr. Wilson for all their hardwork. Special thanks goes out to Kolby Pugh, Jutine Schramek and especially Amanda Hay for her years of dedication with the SCI hockey team.

JUNIOR BOYS HOCKEY

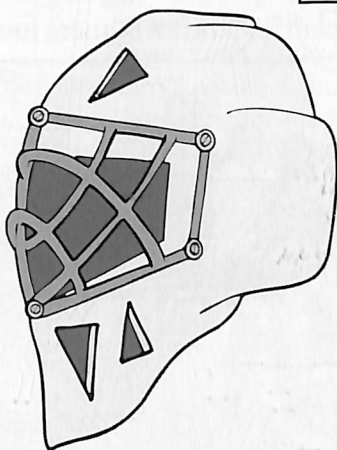

This was the second season for the Junior Bomber Hockey team. We had a very skilled team that demonstrated true SCITS spirit through teamwork and sportsmanship. We competed in 2 tournaments, re-capturing the 'A' Championship at the Warriar Classic in Woodstock. The team's record over both tournaments was 6-2. The coaches are looking forward to another very successful Junior season next year.

The SCI swim team had an extremely successful year with all swimmers advancing to SWOSSA. The Junior girls freestyle and medley relay teams consisting of Chloe Boone, Nicole Cadieux, Jackie

Harper, Olivia Nisbet and Emma Surins swam to shave seconds off their previous performances in both events and narrowly missed qualifying for OFSAA. The Senior girls relay team consisted of Andrea Dirks, Isabelle Scheringer, Mallory Procnier and Alysia VanHemmen, with Andrea Dirks qualifying for OFSAA in the 100m breaststroke and Alysia VanHemmen qualifying to swim in the 50m Fly. The very competitive Senior boys relay team consisted of Jesse Elliott, Nick Lounsbury, Brandon Roesgen and Keith VanHemmen. Keith and Brandon qualified to go to OFSSA as well. This year has been an excellent building opportunity for the team and the swimmers look forward to a promising season next year.

The SCI Field Hockey team, although not having a league in Lambton-Kent still impressed Ontario teams at the June Collard Conference in Toronto in late September. The team gained experience playing against the Elgin Champs and the former OFSAA champs. They were invited to WOSSA where they tied the Elgin Champs this time and played exceptionally well against the eventual WOSSA champions. Thanks goes out to the amazing coach, and all the players involved.

Golf

The Girls golf team captured their 2nd straight LSSAA Team Golf title at Sawmill Creek this year. The Captain Samantha Rand led her team to victory, posting the second best female score, followed by teammates Morgan MacKenzie, Kayla Hottot, Rachel Rauws and Carolyn Nisbet. The girls will head to SWOSSA to try out their swing. The Boys golf team had a challenging year but with good results. Brent Anderson, tied for 3rd with teammate Bobby Grant, moving to SWOSSA as the 3rd medallist. The remaining members, Brendan Kelly, Kyle Gibson and Tyler Haddon placed a respectable 4th overall in LSSAA out of 6 teams.

The Bomber track and field squad travelled to St. Clair to compete in the St. Clair Field relays and represented their school very well. The girls squad took second place overall, as the team defeated St. Clair, Northern, St Pat's, St. Christophers, North Lambton and Ursuline College. The Bomber men finished in a respectable 6th place and the Bombers finished 5th place overall as a school.

Individual event winners included a huge throw in the open boys javlin by Jon Jones at a length of 44.18m. Andy Yasbaert took the open boys shot put with a monster throw of 16.24m..

The team later travelled to LCCVI to compete in the LIT meet. Congratulations to all that competed and especially to the following top 5 performances: 1st - Andy Ysebaert - Senior boys shot put, 2nd - Adrienne Payne - Midget girls 100m, Andy Ysebaert - Senior boys discus, Jon Jones - senior boys javelin, 3rd - Adrienne Payne - Midget girls long jump, Laurel Molson-Midget girls triple jump, Lisa Wilson-senior girls javelin, 5th - Courtney Leveille-Junior girls javelin, Lisa Wilson-Senior girls discus, Ryan Lounsbury-Junior boys long jump, Greg Jillson-Senior boys 100m, Senior Boys 4x100m relay - Joe Leone, Jon Jones, Greg Jillson, Ryan McLean.

Congratulations to the 3 Bomber representatives that competed in OFSSAA West Regional meet. The Bombers competed in 6 events total and managed a whopping 5 personal bests in those six events. Hayley Cadwallader started the meet off with a great run in the Midget girls 1500m race, and the following day finished in 6th which included an amazing 23 second personal best. Lisa Wilson finished the 2005 season with a fantastic one metre personal best in the Senior girls javelin. She followed up the next day with a throw of 30.09m in the Senior girls discus. To complete the Bomber field events domination, Andy Ysebaert unleashed his two best performances of the year. He began Day 2 with a 3.5m personal best in the Senior boys discus placing 5th. Not only was Andy's throw of 45.75m a personal best but he also smashed the 9 year old SCITS Senior boys discus record by 2 metres! Andy's 5th throw qualified him as the second ranked shot putter in Ontario at the OFSSAA meet in Windsor. Two Bomber track and field members traveled to OFSSAA Track and Field Championships. Hayley Cadwallader competed in the very competitive Midget girls 3000m. She was determined but the heat and conditions of the day forced Hayley to drop out of the race. Andy Ysebaert's 5th throw in shotput put his name in the OFSSAA history books at a distance of 18.02 metres. The coaches are very proud of all competitors and look forward to a successful 2006 season. Thanks to Mr. Harris and all the fans that came out to support the Bombers.

The Boys Baseball started their season with a resounding win against North Lambton. Although there were close games throughout the season (losses to St. Christophers 4-3, St. Clair 10-7), the team was only able to come through with their second win at the very end against Northern. It was a memorable game at Blackwell as some team members finally had their first hits of the season. This team is always competitive and will be in fine form for next year. Well Done SCITS Baseball!

Like those before them, this year's Girls' Fastball Team scared away all the competition. But having no opposition (worthy or otherwise) did not dampen spirits as the team was broken into halves each day to play their greatest challengers - themselves. Although the team started off shaky, definite improvement was seen in each game. Coaches Fillion and Stewardson would like to thank the girls for a great season and hope for an even better turn out next year!

Will the runner make it? Not if Tosha Lobsinger and Morgan MacKenzie have their way!

“Stand and sing to S.C.I.T.S., sing your praises; it deserves no less” was shouted throughout the Bomber Dome on Homecoming day. The crowds cheered for the many Bomber teams that marched through Gym AB at our annual pep rally, as the SCITS Jazz Band performed in the background. The halls were filled with posters, streamers and balloons that contributed to the blue bomber spirit. Students and teachers participated in poster-making and plane-building. The Bomb Squad also sold Bomber pins and toques that helped increase the Bomber spirit throughout the entire school.

Debate

The Debate Club had a terrific year with more members than ever before. We were involved in debating workshops, debate tournaments at other schools, and our own second annual S.C.I.&T.S. Debate Tournament. The 2004/2005 Debate Club was a great success and the students who participated represented their school with honour.

Wellness

The Wellness Committee aimed for improved health and well-being at SCITS. This year, SCITS held Wellness Week and highlighted the importance of sleep, stress reduction, healthy eating, physical fitness, and awareness of substance abuse. We also visited Vision Nursing Home for a spring visit with the choir, distributed cookie-o-grams to relieve stress around exam time, and had drunk goggle relays. Aside from those activities, we also focused on anti-smoking, healthy eating and saving the environment. Be Well!

Choir

This year the SCITS Choir hit a high note. They have been very involved within the community, performing at St. Joseph's Hospital for terminally ill patients, the Lambton County Music Festival and various SCITS events. They also had the privilege to attend a choral workshop at the Randolph Academy in Toronto and the added bonus of attending Mamma Mia. This year the choir was the largest it has ever been, and they also had the largest number of male voices. The choir would like to thank every one for supporting them and making this year a great success!

A long-running tradition at SCITS, our concert band is comprised of dedicated grade 9 through 12s. We play at school functions, concerts and compete in music festivals. Rehearsals are Tuesday mornings from 7 AM until 8AM.

Jazz Band

SCITS' Jazz Band is another long-standing tradition. This group of talented 10-12s play jazz, swing, blues, rock, and funk at school functions, concerts and music festivals.

The SCITS drama club (B.E.S.T.) has, yet again, had a very busy year. The shows presented by B.E.S.T. during the 2004-2005 school year included: *Romeo and Juliet*, *The Nightmare Before Christmas* (Student written based on Tim Burton's Movie), *Purgatory* (An original play performed at the Sears Drama Festival), *Several Improv Dinner Theatres*, *The Young Playwrights Festival* (Which SCITS held and participated in), and *The Spring Play*. However none of this would have been possible without the hard work and dedication put forth by all the members of this club. Everyone contributes in their own way and brings something unique that no one else possesses. SCITS drama "acting" like we care.

Art Club

The SCITS Art Club is open to all students who want to use their artistic talents in school activities such as the SCITS RE-VUE, and the Student ART SHOW. Our members also do volunteer work such as painting windows at Vision Nursing Home, making signs for Habitat for Humanity, and painting posters for Jazzfest. We have a tremendous amount of artistic talent at SCITS, and our Art Club is a great opportunity to bring students together.

The SCITS Guitar Club meets 2-3 times per week. Although we have more members than guitars, we are slowly raising the money needed to run this club. From Rocktoberfest to lunch hour concerts, to the big show SCITS STOCK, we promote SCITS music as often as possible so that every level of guitar player can have an instrument to develop their skills.

Coffee Club

The newest club at SCITS is down in the library. During the lunch hour on Fridays, it is the SCITS Coffee Club that supply coffee, tea, lemonade and baked goods for all students and staff willing to socialize and discuss the book of the month. For December, the book was "The Life of Pi" by Yann Martel, a Booker prize winning novel.

About twenty-two students from grades nine to twelve and several staff members, including the librarian Ms. Turnbull, Mr. Richardson, Ms. Duke, and Mrs. Baljeu, one of the custodial staff, take part in discussing their favourite passages and reasons they enjoy and dislike the selected books. One student told Ms. Turnbull that "This book club is the best thing that ever was started here at SCITS." It is the variety of the novels read, that makes it easy for all members to appreciate discussing it.

The concept of teens and adults meeting together to enjoy the world of reading, was the spark that started it all. "This isn't English class, and we don't want it to be. It's social, and for the joy of reading and the joy of books." says Ms. Turnbull. Because so much of modern life is communicated visually through television, interactive video games, and the Internet, the Coffee Club is to ensure, at least here at SCITS, that the use of hard print media will not lose it's appeal. Books are a whole other realm of their own. "I believe books are the key to the kingdom of knowledge. They are a vessel to transport us

to other lands and wonderful, lasting experiences. All this within the pages of a book!" Ms. Turnbull expressed.

Partners Active In Resource Sharing

P.A.I.R.S. has had a busy year. Our partner Lanxess (formerly Bayer Inc) provided many opportunities for students, one of which was the Leadership Conference for Grade 9 students held in the fall. Lanxess also provides an annual scholarship for a graduating student.

The proceeds from fundraising through chocolate bars sales, Easter Egg-o-Gram sales and a donation from Lanxess went to support Youth Cancer.

Spring activities involving our PAIRS student committee included the annual PAIRS student conference held at Lambton College in May, a scavenger hunt through Mitton Street Merchants (our other PAIRS partner) and a baseball or indoor soccer game with students versus Lanxess employees. All in all, a fun time.

SOMA stands for Southern Ontario Model Assembly and is a wonderful educational experience available to SCITS students that prepares for and participates in a model United Nations Conference at the University of Toronto for four days each April. This year's delegation of Heidi Vallinga, Mallory Procnier and Ashley Hillier represented the Arabian Peninsula nation of Yemen at the conference. They participated in debates and votes on pressing international issues from the Yemeni perspective. Moral support was provided by staff advisor Mr. B. Lynch and mascot Squeeler. On October 18th, 19th, and 20th, the students of SCITS were treated to three consecutive lunch hour concerts. Twenty-one musicians, all SCITS students, performed over the three days. On Monday, the bands Lexicon and Black and White Taxis took to the stage. On Tuesday, our acoustic set included Rick Saunders, Justin Sellars, Mike McDougall, Nic Bishop and Katie Moran. Finally, on Wednesday, we cranked up the volume with the sounds of The Solution and Paradigm. With the admission price of only one dollar, 438 people came to watch the shows and the profits will go to the proposed recording studio for SCITS musicians. In fact, our audience was so pleased with the shows that we offered concerts on a regular basis throughout the school year.

SEEING DOUBLE

The yearbook did a survey of a few SCITS twins. Here's what they had to say:

1. Ashley & Angela St. Onge

Do you fight?
We always fight.

2. Mike & Adam Cook

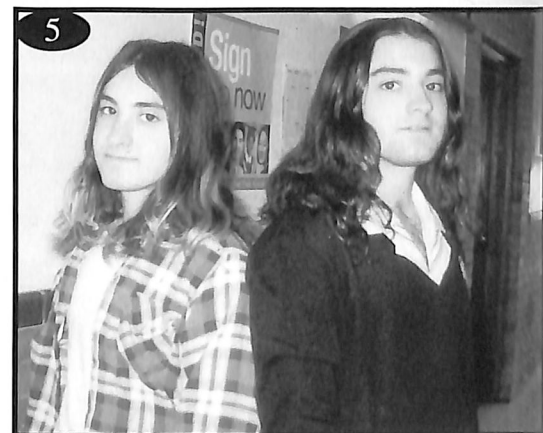

Are you always together or apart?
Most times we go our separate ways.

3. Becky & Aaron Gilbert
What is the worst part about being a twin?
Sharing stuff.

4. Laura & Lindsay Cepek
What is it like to be a twin?
Having a best friend always with you.

5. Allie & Hallie Callwallader
What is the best thing about having a twin?
Blaming stuff on each other.

6. Jesse & Brando Hare
Do you ever finish each other's thoughts and sentences?

Sometimes we will say something that the other was thinking or say the same thing at the same time.

7. Greg & Graham Jillson

Other responses include;

Do people actually get you confused?

The Cooks said, "Yes, all the time."

The Hares said, "Only when they forget which name goes with who."

What is the best thing about having a twin?

The St. Onges said, "They're always there to back you up."

The Cepeks said, "Sharing clothes, always having someone to talk and give good advice."

Cinco de Mayo is a holiday celebrated throughout Mexico, and our Spanish classes, on May 5th. It is celebrated in honour of the anniversary of the battle of La Puebla. Students in Sra. Ramos' class enjoyed a day of

fun and games, not to mention delicious tacos .

The teachers this year celebrated cultures around the world by holding a Cultural Foods Day. Each department brought in food that is typically served in the country or continent they were assigned. India, Italy, Africa, Greece, Canada and many others made an appearance in the staff room that day.

Cultural

This year students learned about Latin culture, rhythms and dances. Rodrigo Chavez, the dance instructor has travelled throughout South America. Countries include Colombia, Ecuador, Chile, Argentina, as well as Cuba. He has learned the music of these cultures and shared this with Sra. Ramos' Spanish classes and Mlle. Latawiec's French classes.

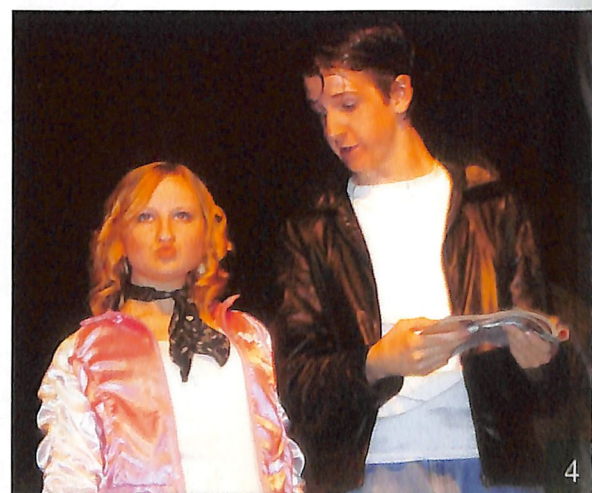

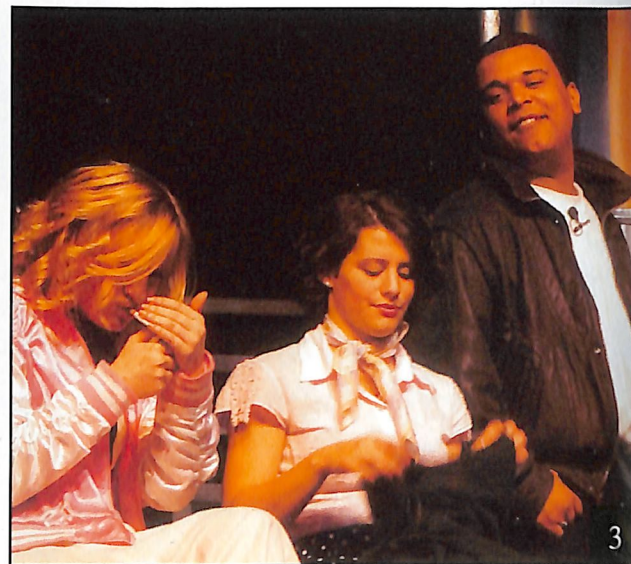

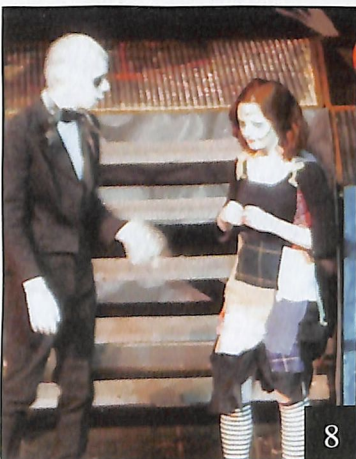

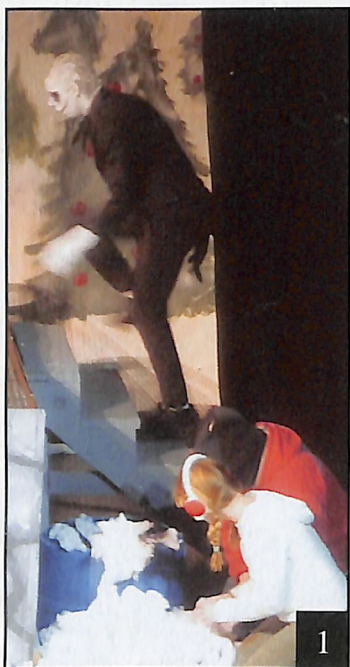

French classes in 2nd semester enjoyed a decorative party for the French celebration Mardi Gras, which means Fat Tuesday. They experienced and learned about French culture while enjoying a traditional, French cake called the King's cake. Students made Mardi Gras floats reminiscent of the ones found in the New Orleans parade.

Music

Listen, my fingers are singing
It's a talent, it's a skill
It's a job, it's a career
It's social, it's confidence
It's math, it's music
It's country, it's rock
It's classic, it's new.

Get tuned, because this is your
life
It's a little drop of heaven in
your ears
It's music at best
It's performance, it's enter-
taining
It's love, it's life.

This is a journey from fret to
fret and string to string
It's worth living
It's fame, it's fortune.

It's a series of quick stops
It's simple, it's harder than
rock
It's anything it can be
It's almost a circuit
Listen, my fingers are signing.

Un Monde Parfait?

Le monde est dans nos mains.
Nous devons comprendre.
Le crime et la violence continuent.
Mais, pour moi, ça ne m'étonne pas.

Pourquoi est-ce que les paroles des autres ne sont pas entendues?

Pourtant les gens croient que la folie est absurde.
Les menaces de pistolet, homicides sont très nombreuses à compter.

La paix, et le bonheur en petite quantité.

Pourquoi la mort devient notre sortie?
C'est notre vie que nous devrions aimer et provoquer.
La haine et le crime viennent de notre état de vie.
Quand vraiment nous devrions pratiquer à donner.

Si tout le monde est tellement inquiet des nouvelles.
Alors, faisons un pas en avant et aidons à terminer la dispute.
Nous devons travailler ensemble.
Avant que notre monde se désagrège dans l'agitation.

"I look down at my body. All I see is imperfection, of every contour, curve... a figure with fat and flab, layers upon layer, from the days when I had no self-control, the days before Ana entered my life. Oh, the filth of it. Ana is my new best friend, my only true friend, the only one who looks out for me, who cares about me. She teaches me that 'I shall not be tempted by the enemy (food), and I shall not give into temptation, should it arise. Should I be in such a weakened state and I should cave, I will feel guilty and punish myself accordingly, for I have failed her.' She will be with me wherever I go, keeping me in line. No one else matters. She is the only one who cares about me and who understands me. I will honour her and make her proud."

Broken Pieces

You will never understand
my sadness;
tears fall
and the pain deepens.
You sit and stare
like I'm too young to know
I'm in love.
The real kind,
the one thing that makes me smile,
makes me feel like I belong.
This is the one thing you won't let be.
If you cared,
not like you've ever said,
you'd let this be,
let me be happy.
For once.
You've never been the figure I imagined.
If only you truly wanted
my smile.
The fearful truth is
that you don't.
All you want is for me to grow
out of my foolishness.
Become of others,
but that's what I've done
for so long.
You'd know if you'd only listened,
paid that single penny for my thoughts.
Somehow a penny is too much
to ask of you.
Looking twice at my flaws,
the things that are so wrong;
they seem to be the single features
you see.
If you only knew who I am;
I realize how easy it is
to fool you.
A smile.
Fake, but convincing.
It's polite.
I wouldn't want to bother you
with disappointment.

Can't you see I'm afraid?
Afraid of your response
to a question I ask,
Why bother when I know your answer.
No.
I'm suffocating
with everything I don't know.
All the places I've never been,
never seen.
My eyes are trying to close
but the tears that stream
are filling them.
Leaving them open.
My wounds won't heal, not anymore.
And the blood just won't flow
any longer.
Turn your back I expect it now.
Walk.
No regrets, those words you said
over and over.
You wouldn't secure my hand,
not even when I screamed, calling you,
reciting your name.
How broken I was, torn apart,
but the pieces won't fit together.
They never did fit.

Marion Drysdale Contest Winners

Marion Drysdale left an indelible mark on all those around her, and the Ontario Secondary School Teachers' Federation chose to remember her by naming a student award in her honour. The Marion Drysdale Contest is open to all public school students in Ontario, who are encouraged to submit work for judging first at the high school level. The winners in the poetry/prose and creative categories then go on to the district level for judging, then the region (stretching from Waterloo to Windsor), and eventually the winners are awarded at the provincial level. The awards are cash prizes.

SCITS was proud to announce that six out of the eight categories were won by our very own students.

Working, fund-raising, and raising awareness

FOR A CURE...

Chad Jolly shows his support for Graham, #44

SCITS is an amazing school, and if anyone should doubt that then they should look at all the great things we have done and reconsider.

It was hard for many students and staff to come to terms with the realization that severe health threats attack not only the old, but the young, as well. Young **Kristopher Knowles** has been waiting for a liver transplant his entire life. As well, **Graham Holmes** was diagnosed with cancer near the beginning of the school year.

As a sign of support, the school held many fundraisers, along with many other Sarnia schools to support families with children who have cancer. Only twenty four days into the school year and SCITS already surpassed its goal of five thousand dollars.

On March 10, 2005, staff and students filed into the auditorium to watch Graham's football teammates shave their hair. No one could have predicted how many more would join in. By the end of the assembly, well over 250 staff and students had shaved or cut their hair, instead of the intended fifty people.

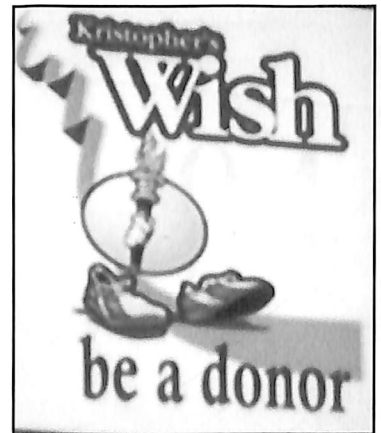

After the event, the remaining hair weighed twenty six pounds! And collections of longer hair were do-

nated to be made into wigs for cancer patients.

On a national scale, Kristopher Knowles led a year long tour of Canada to increase awareness of the need for organ donations. His slogan was "Don't take your organs to heaven, heaven knows we need them here."

He carried the torch for the four thousand others who await donor organs.

Graham and **Kristopher** helped raise some awareness of how lucky we all really are.

Yearbook was certainly a challenge this year, as it is every year for its staff. There is a lot of pressure and work involved to make it something memorable. We tried our hardest to get everyone into the book, and we think we did a good job. We all learned so much. In September, I was the only one who knew how to do layouts. I took over the photography except for the help of Mr. Campbell. (It's so nice to have one of the teachers be a professional photographer!) We enlisted the help of some Grade 10 girls, (Jessica Ovens, Katelyn Pask, Emma Surins, and Angie Wilson) to start to get the ball rolling. Team pictures, events around SCITS and a lot of write-ups later, we started getting closer to our goal of an awesome yearbook. Later in the year, seeing that we were in need of help, Grade 11 students Sarah Beer and Sarah Dewitt stepped in and helped us with getting pictures, designing pages and hunting down teachers for extra help. Grade 12 student Hayley Tuckey also answered the call of duty and helped out immensely by supplying pictures, organizing coaches and teams for their pages, and planning layouts. Chas Douglas, a Grade 9 student, also helped out when needed by cropping pictures and designing layouts. A special thanks goes to Mrs. Amlin and Fiona Stevens for their help.

As the year started to come to its end, many teachers also helped out when and where they could. The teacher advisors, Ms. Latawicz and Mr. Stewardson worked hard to complete this yearbook and make it look great - as well as motivating the students who chose to help out. Their determination to capture the memories of the 2004-2005 year here at SCITS is shown throughout these pages.

As I leave behind my years at SCITS, I will take this yearbook and remember this year as unforgettable, knowing that I belonged to this amazing school. For those of you returning, I hope your yearbooks in the future give you as many memories as this one has for me.
